University Transfer

TRANSFERRING

CNC offers the first two years of courses. Students then transfer to a university to finish their degree. Transfer students with 27-30 credits do not need TOEFL results to be accepted to most Canadian universities.

To ensure seamless transferability, CNC has formal agreements in place with the following BC universities:

- Emily Carr University of Art + Design
- Kwantlen Polytechnic University
- University of British Columbia
- University of Northern British Columbia
- Simon Fraser University
- Thompson Rivers University
- University of Victoria
- Vancouver Island University

Academic Advisors at CNC can advise students on which courses they need to take in order to transfer to their major area of study.
