

Forest Supervisor Training

New! BC Forest Safety Council courses available.

This training will help Forest Supervisors oversee workers effectively. The courses are suitable for new or existing supervisors. There are no prerequisites, and participants can attend all three or just one course. Participants will receive a certificate of completion for each course completed.

Communications for Forest Supervisors	March 18
Due Diligence for Forest Supervisors	March 16-17
Leadership & Professionalism for Forest Supervisors	March 19

Limited seats available.
