

Section: Administraiton
Topic: Clean Indoor Air Policy
Effective: 26-Nov-90

C.N.C. No.: AD 6004
Ref: 1084(C)
Revised: May 1, 2006

POLICY:

The College of New Caledonia is committed to maintaining and enhancing the cleanliness of indoor air in order to help create a healthy workplace for staff and students.

In order to achieve this, smoking will not be permitted in any College building, vehicle or enclosed equipment. The College will provide designated smoking locations outdoors on the facility.

The College will adhere and subscribe to local bylaws and regulations regarding Clean Indoor Air.
