

Please submit this form to your reference, who will complete and submit directly to the Peer Connections Coordinator. CNC students should use a Faculty member or CNC employee as their primary reference. Options for the secondary reference include a professional community member, or an additional CNC Faculty or CNC employee. Applicants are required to submit 2 references to be considered for the Program.

The Peer Connections Program is a mentoring program aimed at supporting new CNC students during their transition and adjustment to postsecondary life and culture. Peer Connectors are experienced, second-year students that volunteer to act as guides and support new, first-year students get connected to campus and their peers.
