

Student Readiness Assessment

Test Overview and Review Guide

The SRA measures proficiency in English and/or Math and, depending on the program you are applying to, may require a measure of your skills in mechanical reasoning. Should you require extra exam accommodations due to a documented disability, please contact Accessibility Services at 250-561-5838 prior to writing your test.

Program	Tests to Complete	Program	Tests to Complete
Accounting and Finance	1,3,13	Medical Device Reprocessing	1,3,4,5
Applied Business Technologies	1,3,13	Medical Office Assistant (ABT Online)	1,3,13
Automotive Refinishing	9,11,12	Medical Office Assistant (Assoc. Cert.)	1,3,4,5
Automotive Repair	9,11,12	Metal Fabrication	9,11,12
Automotive Technician	9,11,12	Millwright/Machinist	9,11,12
Bookkeeping (Continuing Education)	1,3,5,8	Nursing Unit Assistant	1,3,4,5
Business Management	1,3,13	Office Worker Prep (Burns Lake)	1,3,4,5
Carpentry	9,11,12	Outreach Advocacy Worker (Burns Lake)	1,3,4,5
Community & School Support	1,3,4,5	Parts and Warehousing Person	1,3,8
Computer/Network Electronics	1,3,5,10	Pipe Trade	9,11,12
Early Childhood Care & Learning	1,3,4,5	Power Engineering	10,11,12
Electrical	10,11,12	Pro Cook	1,3,8
Health Care Assistant	1,3,5,8	Web & Graphic Design	1,3,4,5
Heavy Mechanical Trades	9,11,12	Welding	9,11,12

*Basic calculators are allowed for all math sections (except Test 8 – Computation & Estimation).

SRA-What's on the tests

Test 1 – Informational Reading – This measures your ability to extract details, identify central thought, and make inferences from narratives, informational writing, and images.

Test 2 – Literary Reading – N/A

Test 3 – Vocabulary – This measures your ability to understand word meanings and relationships. You must identify synonyms, antonyms, and appropriate word use in sentences and paragraphs.

Test 4 – Writing Conversions – This measures your understanding of language usage and sentence and paragraph structure. It includes skills related to punctuation, capitalization, phrasing, clauses, quotations, dialogue, and sentence combining.

Test 5 – Spelling – This measures your ability to apply spelling rules for consonants and vowels by recognizing correctly spelled words in the context of sentences.

Test 6-Pre-Algebra – N/A

Test 7 – Algebra – N/A

Test 8 – Computation & Estimation – This measures your ability to add, subtract, multiply, and divide whole numbers, decimals, fractions, and exponents.

Test 9 – Trades Math (Level 1) – This measures your ability to apply mathematical concepts related to addition, subtraction, multiplication, and division of integers, decimals, fractions, and exponents.

Test 10 – Trades Math (Level 2) – This test measures your ability to interpret data, use scientific notation, and use algebraic expressions to solve problems involving real numbers, exponents, and radicals.

Test 11 – Trades English – This measures your ability to extract details, identify central thought, and make inferences from text and images.

Test 12 – Mechanical Reasoning – This measures your ability to understand basic mechanical principles of machinery, tools, and motion.

Test 13 – ABT Math – This test measures your ability to add, subtract, multiply, and divide whole numbers, decimals, fractions, percent, ratios, as well as manipulate simple algebraic expressions.
