

Advanced First Aid

Course Overview

$1,755*

This 70-hour course is offered with the objective of qualifying candidates for certification, by WorkSafe BC, as first aid attendants in industry. Instruction will be provided in both theory and practical applications

Topics include anatomy and physiology, injury and body response, resuscitation and new procedures in patient care.

Additional Information

This course has been reviewed and redesigned to ensure students, instructors and staff remain safe and healthy. Successful candidates will receive a 3-year Advanced First Aid certificate upon completion.

*Tuition is subject to applicable student fees and taxes.
