Youth Train in Trades / Youth Explore Trades Sampler Application Package

The CNC Youth Train in Trades Program (YTT) allows students to complete their first year of technical trades training and earn credit towards their high school graduation. This package will guide you and your parent/guardian through the steps needed to apply and begin your exciting journey into industry training.

The Youth Explore Trade Sampler (YETS) allows you to earn high school credits while experiencing four different trades (such as carpentry, metal fabrication, professional cook, millwright, etc.). This program is available to both high school students and adults who have completed grade 9.

Next Steps:

☐ Complete the Application Package. This includes the following forms:

- Application for Admission
- Parent / Guardian Checklist
- Personal Information Collection Notice and Acknowledgment
- Freedom of Information Release
- School Staff Approval Form

☐ Work with your school staff / school counsellor to select courses that fit your schedule and align with your goals.

☐ Have your school staff / school counsellor submit the completed and signed application package to regoffice@cnc.bc.ca

Application deadlines vary by course start. Seats are reserved for SD 28 students up to 6 weeks prior to the program start date. Applications submitted after the deadline cannot be accepted

Please ensure applications are filled out completely before submitting. Incomplete applications will be returned to the school for review.

*Note: Successful completion of your CNC courses does not guarantee admission to future CNC programs. If you wish to continue your studies at CNC after graduation, you must submit a new application for your desired program and meet all admission requirements at that time.
